I am a service-oriented people-person, with a passion to serve and help others. As a trained visual artist, I am able to find creative solutions to common challenges, and strive for a career where I can broaden my skills and social proficiencies in a team environment. I am highly motivated, and ready to work hard in a place where elevating the level of customer care is an enriching experience to all parties involved.

KEY PROFICIENCIES Fluent in Spanish, English, Portuguese
